PART V PRIZE LIABILITY LIMITS, PRIZE PAYOUTS AND PRIZE LEVELS. The “Lotto” game is both a pari-mutuel and set prize payout game with winning Game Tickets determined by matching six (6) unique numbers from a field of forty-four (44) numbers. - C. **Pool Rollovers.** In any drawing, if there are no winners in the first-level prize pool, the second-level prize pool, or the third-level prize pool, the money in that prize pool will *roll forward* and will be added to the respective prize payout pool for the succeeding drawing(s) until a winner(s) is determined.
- D. **Entitlement to Prizes by Winners.** The holder of a winning Game Ticket shall be entitled only to the prize won by matching the winning numbers in the highest matching prize category.
- E. **Payment of Prizes.** All winning Game Tickets, including the Top Prize, shall be paid in accordance with these Official Game Rules. The CLC shall withhold taxes and other required withholdings in accordance with applicable federal and state laws. To be a valid Game Ticket and eligible to receive a prize, a winning Game Ticket shall satisfy all the requirements established for the validation of winning Game Tickets sold through the CLC’s On-Line Gaming System. The CLC shall not be responsible for Game Tickets that are altered in any manner.
- F. **Payment of Pari-Mutuel Winnings.** The following rules shall determine payment of pari-mutuel winnings:
