

NEW GAMING SYSTEM!

FEB 2023 • VOL. 5

>>> EXCITING UPDATES FOR CT LOTTERY RETAILERS <<<

IGT EQUIPMENT INSTALLS BEGIN!

- You will receive a call from IGT with a Lottery equipment installation schedule
- IGT will call again the day before to confirm your install
- Lottery reps are placing a terminal marker in your store to prepare
 - Keep this marker in place, it will help IGT techs on install day
- IGT techs will show you ID and an informational letter when they arrive
- IGT may need to access your current SG terminal

IMPORTANT INFORMATION

- It is mandatory to keep the new IGT equipment powered on
 - This ensures downloads for system updates

If you have a KENO monitor that the CT Lottery delivered and installed:

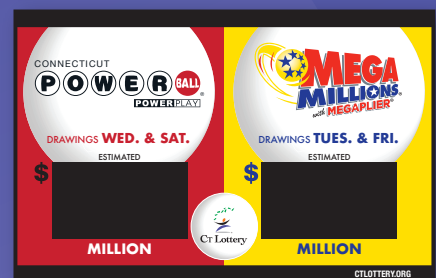

- IGT will replace your current monitor with a new screen

If you have an electronic Powerball / Mega Millions Jackpot Sign:

- On install day, your sign will be configured to communicate with the new IGT system
 - THIS MEANS THAT FOLLOWING INSTALL, YOUR JACKPOT SIGN WILL GO DARK
- The Jackpot Sign will become operational on go-live day following system conversion
