Addendum 3
Revised Price Proposal Form & Instructions

This Addendum replaces Appendix C – Price Proposal Form & Instructions in its entirety with revised “Appendix C – Price Proposal Form & Instructions” included with this Addendum. The revised Appendix C – Price Proposal Form extends pricing to “\$2,000,000,000” and “Above \$2,000,000,000” in sales and incorporates the revised Instructions.

The CLC has experienced a significant growth in sales since issuing RFP #CLC202003 in October 2020. In light of this development, the CLC requests Proposers to update their prior Price Proposal Forms to include pricing for sales of \$1,500,000,000 to \$2,000,000,000 and Above \$2,000,000,000. Proposers should include their original pricing for the other identified sales increments for purposes of completeness. Proposers cannot change any of their original pricing.

Proposers must complete and sign new Price Proposal Forms in accordance with this Addendum and the Instructions and email them to Suzanne.Colley@ctlottery.org by 2:00 p.m. Eastern Time on March 12, 2021. Submissions must be labeled “Gaming System RFP #CLC202003 Price Proposal” and the label must include the Proposer’s name.

All other terms and conditions of RFP #CLC202003 remain unchanged.

Proposers should direct all questions concerning this Addendum to Suzanne.Colley@ctlottery.org.
