K. PERFORMANCE SECURITY

No later than ten (10) Business Days following the effective date of the contract, the Successful Proposer will, at its sole cost and expense, provide the CLC either a surety performance bond or a clean, irrevocable standby letter of credit (at the Successful Proposer's option) payable to the CLC in the amount of **\$1,000,000** (Performance Security). The Performance Security shall be renewed in full on an annual basis during the contract, including extension(s) if exercised by the CLC, and be maintained for at least one (1) year following the expiration or a termination of the contract. If the balance of the Performance Security falls below sixty-five percent (65%) of the full value during any year of the contract, then the Successful Proposer shall re-establish the full original balance within thirty (30) Calendar Days. If the Successful Proposer fails to restore the full original balance as and when required, then, without limiting any obligations of the Successful Proposer, including its continued performance of work, the CLC shall not be obligated to make any further payments to the Successful Proposer until it does so, and the CLC may hold the Successful Proposer in breach of the contract.

In addition to any other remedies the CLC may have under the contract, the CLC will have the right to call the Performance Security, in whole or in part, in the event the CLC suffers any liability, loss, damage, or expense as a result of the Successful Proposer's actions or failures to promptly, properly, completely, and faithfully perform its obligations under the contract, including, without limitation, the obligation to indemnify, hold harmless, and defend the CLC (or, if the CLC assumes its own defense, to reimburse it for all costs and expenses of any kind) and to pay Liquidated Damages to the CLC. The Performance Security must be in a form and contain language requested by and/or satisfactory to the CLC (which language the CLC may request changes to at any time to protect its interests), and be issued by an insurance/surety company acceptable to the CLC. The CLC reserves the right, in its sole discretion, to increase or decrease the amount of the Performance Security at any time. The Performance Security will expressly require the insurance/surety company to provide the CLC Chief Financial Officer at least thirty (30) Calendar Days advance written notice, by certified mail, return receipt requested, of any change in, termination of, failure to renew, default, or cancellation of coverage.

All other terms and conditions of RFP #CLC202101 remain unchanged.
