III. Audit Committee Areas of Cognizance:

Mr. Smith provided the Committee with an overview of the current responsibilities of both the Finance and Audit Committees. With regard to the Lottery's financial audit, which is currently under the purview of the Finance Committee; members of the Audit Committee, although in agreement with the Finance Committee's desire to extend the current financial auditors' contract, suggested that the Audit Committee have a more involved role in making recommendations to the full Board where the financial auditors are concerned. No action will be taken until the other members of the Audit Committee are consulted.

IV. Quarterly Update on Liquidated Damages with SGI:

Ms. Perrotti reported on liquidated damages for the April through June time period, noting that although several initiatives were put into place, including doubling staffing and preventative maintenance starting back up, there were charges totaling over \$100,000, up from last quarter.

V. Regulations Update:

Mr. Smith provided the Committee with an update regarding the new regulations stating that our procedures and Rules of Operation were submitted to DCP on July 12. Once we receive comments back from DCP they will then go to the full Board for review and approval.
