

FAST PLAY TALKING POINTS

- ❑ Fast Play Games are like Scratch Games, but print from the Wave Terminal or Vending Machine
- ❑ There are no numbers to pick, no play slips needed and no drawings.
- ❑ Fast Play Games are series of three games:
 - They have the same name, look and play style.
 - Available at different price points (\$1, \$2, \$5).
 - **THE FIRST SERIES** of Fast Play Games is called **JUMBO BUCKS**.
- ❑ Each game contributes to ONE Progressive Jackpot.
 - The Jackpot starts at \$5,000.
 - Progressive Jackpot will begin growing once \$5,000 is fully funded through game sales.
 - It will grow with every ticket sold statewide until someone wins.
 - Then the Progressive Jackpot resets to \$5,000, and grows again.
- ❑ The ticket price determines the winning share of the Progressive Jackpot.
 - \$1 wins 20% of Progressive Jackpot.
 - \$2 wins 40% of Progressive Jackpot.
 - \$5 wins 100% of Progressive Jackpot.

Example of First Series
